Subject: Closing of Ziegler operation

To: April Abate &lt;aprilabate@utah.gov&gt;

Dear April,

I wanted to advise you that a decision was made to close our operation until further notice. This will prevent us from moving forward at this time with the updating of the LMO. I have been furloughed which will prevent me getting very much done on my own. It is my hope that we can reopen in the next month or so and pick up where we left off.

Thanks for all of your assistance.

Catherine Ziegler
